Dear Mr Bayard.

I have undertaken lately a good deal more work, in my position at the Mint, I suppose it may be called "Official Recording Clerk". - it is steady work and requires a good deal of attention and thought. - I have every reason to believe that with the slightest encouragement from Washington, Mr Foy would give me promotion with increase of salary.

If you, or you and Mr Endicott, both would speak to Secretary Manning, upon the subject.

I am sure it would be done.  
I have been working now  
nine years, I think, and apart  
from the salary, I am ambitious  
that, if my work has been well  
done, it should be recognised.  
I have not written to Mr.  
Endicott about it, but will  
do so. If you say so, for I am  
sure he will be glad to  
do it.

If you can do this for me,  
Dear Mr Bayard, it will add  
a thousand times to the debt  
of thanks I owe you.  
I am always thinking you  
will come & see me.

Truly yours.

Susan Dallas.
